

Dear Wine Friend, Ernst and Co would like to wish you a Merry Xmas and Festive Season. May you spend many happy hours with friends and family celebrating life and the completion of yet another successful year. You might need one case or a small truckload of wine for all the hours spend around the dinner table, barbeque or swimming pool! Ernst and Co wines would be honoured to join you in your celebrations. You can reduce the pre-festive rush by ordering directly from us. All deliveries will be free (minimum 12 bottles) until 15 December and we promise to deliver in the Western Cape and Gauteng within 48 hours from receiving your order. Thank you very much for your contribution to our success of this year.

Warmest greetings,

Warmest greetings,

*Ernst Gouws & Family*
